## Inside this issue

### Who we are

*This is the first issue of cycling utah and a few introductions are in order. Who we are, what is planned for future issues and what we will offer is discussed.*

**Page 2**

### Let the games begin

A look at the road and off-road racing season along with course descriptions.

**Page 3**

### Event calendar

*Keep us around for the entire month. The full racing schedule, as well as other events, will be inside each issue. Event results will also be listed.*

**Page 6-7**

### BRAU explained

If you plan on road racing this year, you will get to know what the Bicycle Racing Association is all about. Read about what they have planned and how it may affect you.

**Page 5**

### Shop and club lists

*Consult the shop directory and the club directory for information about joining clubs , who has the equipment or who can fix your bicycle.*

**Page 10**
