Greetings,

Jon Smith here, Event Director for the Cycle Salt Lake Century. First off, I want to apologize for my complete lack of communication with most of you for this past month. It is not acceptable and I hope you will forgive me for it. You have the right to be angry and I accept complete responsibility as a result of the Cycle Salt Lake Century cancelation. I will work on keeping an active dialog going with you from this point forward.

Second, my health has played a greater role than I ever thought possible in the past several months and especially the past 6 weeks. Most of my life I have been blessed with good health and I am grateful for those years. Arthritis in my hands, neck, back and hips has resulted in nerve and joint damage. I have begun to feel like a pin cushion with the number of injections in all of the above areas. I hate needles! I won't go on about this but if you are interested in any further information you can contact me personally.

Third, many of you have received refunds, many more have not. I wish there was a faster way to process the refunds and get them to you. I have many checks to write, sign and mail and this will take time. I emphasize, everyone will have their money refunded! We have shared too many cycling events together and I have been a part of the cycling community for 30+ years and part of the Cycle Salt Lake Century since 1992. I'm not going anywhere and I will make good on my words.

Again, I sincerely apologize and am sorry for any inconvenience I have caused anyone.

Sincerely,

Jon R Smith
