

# Road Construction Notice:

The Utah Department of Transportation (UDOT) will resurface state route 65 in Salt Lake County from the Little Dell Reservoir Recreation Area (MP 3.1) to the Morgan County line at the Mormon Pioneer Trailhead (MP 8.4). This project objectives are aimed at preserving the life of the roadway by preventing the deterioration of the road surface, address roadway deficiencies and enhance motorist safety by providing good skid resistance for vehicles.

## SR-65 Salt Lake County

**RENEWED**

Little Dell Reservoir to Morgan Cnty. Line

### ► Schedule

Project Start: Tuesday, July 5

Days & Work Hours: Monday – Thursday; Sunrise to Sunset

Substantial Completion: Late-August

\* Schedules are subject to change due to weather and materials available

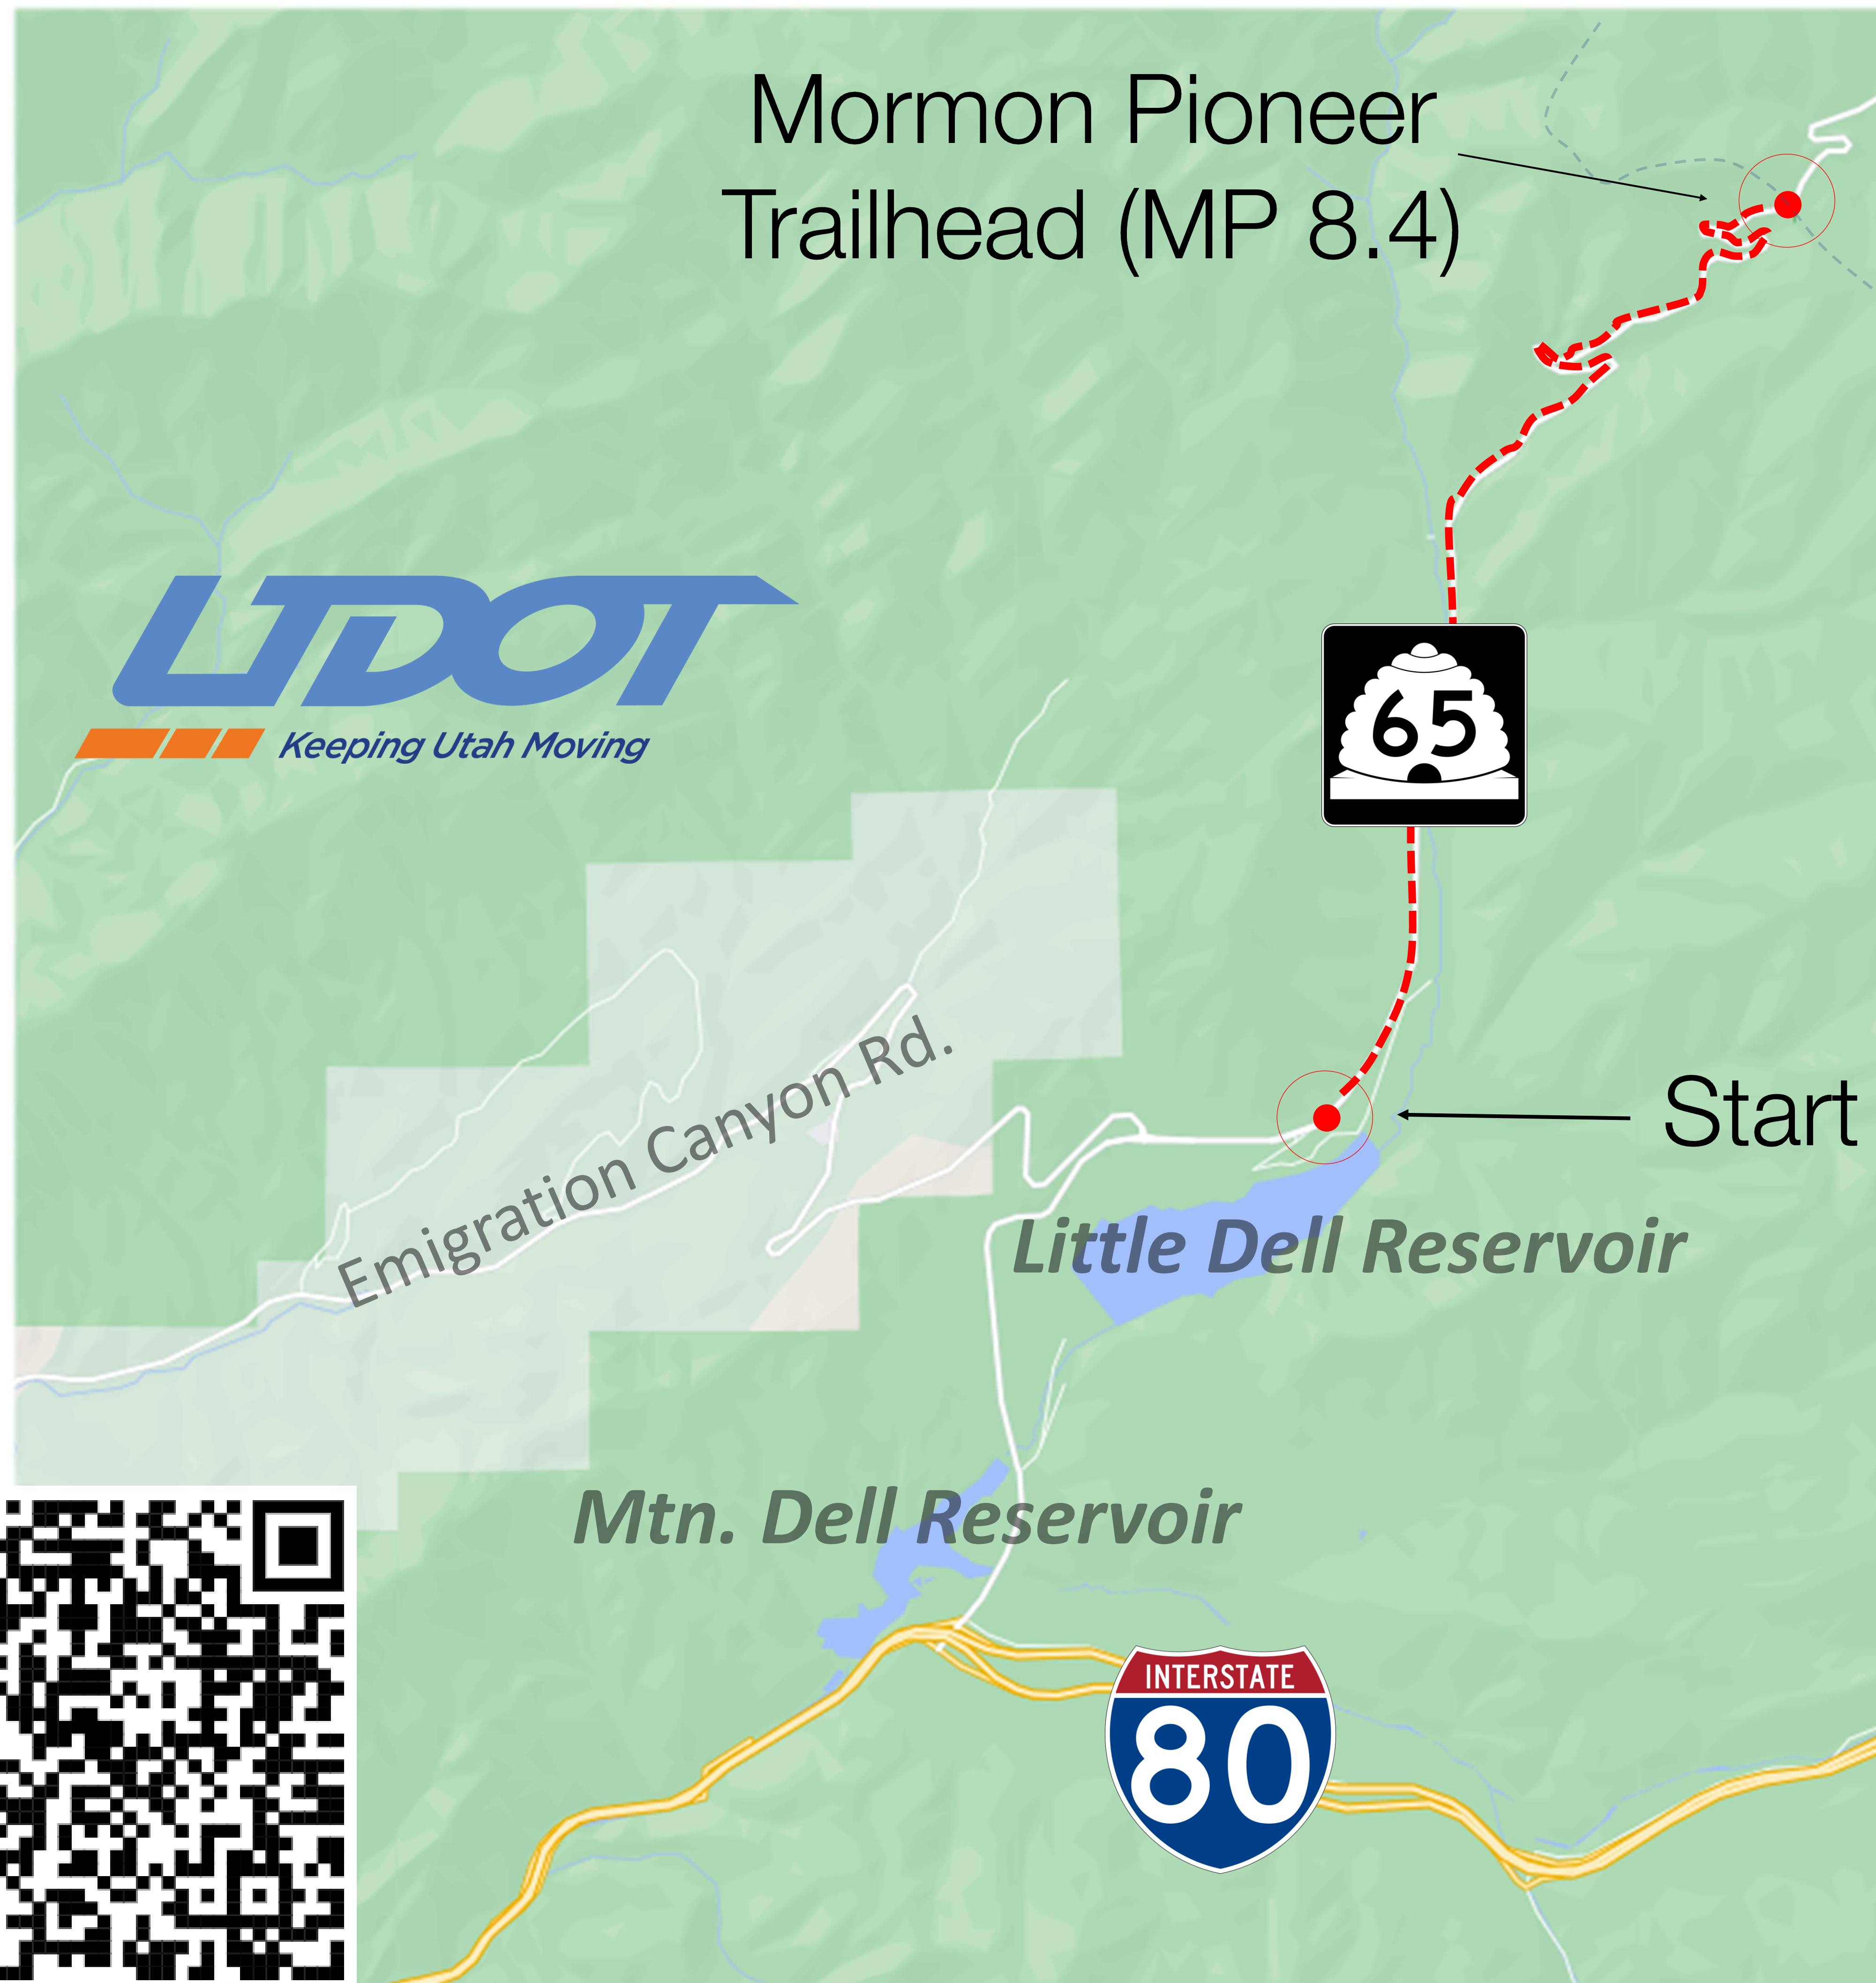

### ► Construction Impacts

Motorists are encouraged to use caution approaching the construction zone. **Due to safety concerns, non-motorist users (Bicycles, runners) are not allowed inside traffic control or flagging area.** One-way alternating traffic operations will be in-place using a pilot car to lead vehicles through the 1.5-mile construction zone. Please be alert of temporary rumble strips and flaggers approaching the active work zone. Motorists should expect minor to moderate delays from 5-15 minutes. One lane in each direction will be maintained when crews are not working, including weekends.

For the latest traffic information: [udottraffic.utah.gov/](http://udottraffic.utah.gov/)

### ► Completed Benefits

This project will restore the roadway surface by adding a chip-seal overlay, leveled travel lanes, refreshed lane striping, realigned shoulders, new roadway and safety messaging signs, widened uphill shoulders for bicyclist safety, and various updated drainage/erosion controls.
