

Bicycle Safety Rally/Press Conference

**January 26 11:30 am
Central West Plaza, Utah State House**

*In support of House Bill #49
"The three foot law"*

This bill will require motor vehicles to pass bicycles with a minimum of three feet and will bring Utah traffic code up to date with those of other more "bicycle friendly" states

This will be a short rally/press conference from 11:30 to about 12:30.

**Please come wearing bicycle jerseys and,
if possible, ride over on your bike**

**This is a rally in support of the bill: the
more people that can attend, the stronger
the message**
